

BIOGRAPHY

**Debbie Dusterwald,
Configuration Management Specialist,
Computer Sciences Corporation**

Debbie Dusterwald has over 30 years experience as a contractor at Goddard Space Flight Center. She currently works in Configuration Management supporting the Solar Terrestrial Probes and Living with a Star Programs in Code 460.

She has been a member of Toastmasters International for 12 years. She is currently a member of 4 clubs, which meet in the Greenbelt area. She is the Immediate Past District Governor for District 36 Toastmasters, which is located in upper Prince Georges County, Montgomery County and the upper part of Washington DC. In January 2004, she completed the highest educational and leadership award available in Toastmasters, a Distinguished Toastmaster (DTM). In June 2004, she ended her one year term as District Governor under the theme "Break through to your Dreams", bringing the District to distinguished status by accomplishing the goals established by Toastmasters International. She has been able to break out of her comfort zone to achieve her dream of enhanced speaking skills and improved professional and personal relationships.
